PILGRIMAGE OF FAITH APPEAL 2015/2016 -

Thank you for collecting your Pilgrimage of Faith Appeal envelope. For those who have not yet done so, please collect it as you leave Church today. No gift is too small and our parish is trying to reach 100% participation. By collecting your envelope today you can save the cost of a stamp.

Development and Peace - What you can do to Create a Climate of Change!

Our fall campaign asks us to take action on climate change. There are many ways in which you can contribute to reducing the carbon emissions that are causing global temperatures to rise and are creating climate related disasters such as droughts and typhoons. Even small changes in your everyday life can make a big difference. Did you know that one bus replaces 50 cars on the road? Or that fruit produced locally will use 10-20% less gas in its transportation? By reducing your carbon emissions you are showing your solidarity with the most poor and vulnerable in the Global South affected by climate change. To learn about how you can Create a Climate of Change, visit devp.org/climateofchange.
